

SCORE EVALUATION

Please rate the following criteria according to the following scale:

1 = do not agree, 2 = poorly agree, 3 = moderately agree, 4 = agree, 5 = strongly agree

- The SCORE I just read is original, new, and pertinent
- The SCORE is well written, in good English, and reading is easy and straightforward
- Reading of this SCORE will change my clinical practice
- I learned a lot reading this SCORE
- The SCORE is adequately illustrated
- Reading this SCORE encourages me to share my own clinical experience with my colleagues, and I plan to write and submit a SCORE within a short delay

Please send your evaluation to Prof. Marc de Kock and/or Dr. Vincent Bonhomme
