Job Description:

For a healthcare provider in New Zealand, we are currently looking for a rehabilitation physician for a full-time, permanent position.

In this position you will perform inpatient and outpatient care in the department of geriatric and rehabilitation medicine. Furthermore, you will be the co-leader of the department and help to maintain a collegial professional environment. In addition, you will be a mentor for young physicians. You will participate in an on-call based roster for rehabilitation physicians and geriatricians.

We are looking for an enthusiastic rehabilitation physician who is motivated to help with the innovation and quality development of the current department. He/she must be able to make a strategic plan for the future of the department. You need to have experience as a rehabilitation physician for a longer period.

The healthcare provider offers attractive employment conditions and the possibility of professional development. You will work in a modern environment with a team of competent doctors and nurses.

The vacancy expires on 25 February 2018.
