

Anaesthetist – Palmerston – New Zealand

Submitted on: 05/05/2018, Reference number: 2018089

End date: 05/08/2018

Location:

Palmerston North is a city on the North Island of New Zealand in the Manawatu-Whanganui region and has about 77,600 inhabitants. The city is located about 140 kilometers north of the capital Wellington and near the river Manawatu. The city is an important traffic hub, both for road and rail traffic. The Massey University, which is located here, forms almost a small town south of the Manawatu. The airport is located north of the city near Milson.

The hospital has 350 beds and provides secondary care to approximately 174,000 people.

Job Description:

On behalf of a hospital in New Zealand, we are looking for an anaesthesiologist for a full-time, 1-year position.

You will be part of a dynamic and skilled team and will work in a challenging environment where your input and skills will be indispensable. Moreover, you will carry out both inpatient and outpatient services and will participate in the on-call roster. In addition, you will provide education for Anaesthesiology registrars, Medical Officers and other medical staff. You will review new medical equipment and drugs where necessary. Lastly, you will contribute to various projects within your department and hospital. Conducting research is encouraged.

A normal working day consists of an afternoon or morning clinical service shift consisting of 5 hours followed by an administrative service consisting of 3 hours. A regular workweek consists of 40 hours (excluding on call duties).

In addition to attractive primary and secondary employment conditions, the employer also provides practical support with the reallocation to New Zealand. , The employer offers 41 days leave per year. You receive an exemption from work when you take part in CME (Continuing Medical Education).

This vacancy expires on 5 August 2018.
