

Anaesthetist – Shepton Mallet – United Kingdom

Submitted on: 03/06/2018, Reference number: 2018118

End date: 03/06/2018

Location:

Shepton Mallet is a village in the British county of Somerset. This village has about 10,500 inhabitants. It is about 30 kilometres from Bristol and 8 kilometres from Wells. Shepton Mallet is a historic village and because of this it is very attractive from a cultural and touristic perspective. There is also a cave system in the vicinity of this village that contains decorated caves. One can quickly enter the English landscape from Shepton Mallet and enjoy the beautiful picturesque nature that surrounds this town.

Job Description:

On behalf of a healthcare institution in the United Kingdom we are looking for an anaesthetist for a part time, permanent position.

You will strengthen a skilled and experienced team. Your skills will be indispensable here and you will contribute a lot to the proper functioning of the department. The successful candidate has access to great facilities in a well-structured and relaxed environment. In addition to the regular tasks, part of the service will be spent on administrative and management tasks. The on-call commitments may decrease depending on the employer. The workweek consists of 32 hours per week.

For this position you need to possess excellent communicational, social, management and administrative skills. You must also be able to work effectively and efficiently in a team.

In addition to attractive primary and secondary employment conditions, the employer offers a competitive basic salary plus a range of benefits (including contributory pension schemes). Furthermore, the hospital will offer an extensive relocation package.

This vacancy expires on 3 September 2018.
