

Dear colleague

We would like to invite you to our fourth postgraduate evening of the academic year 2017-2018 on the topic:
“Modern Techniques and Strategies to Optimize Epidural Labor Analgesia”.

When: **Monday June 11, 2018**

The lecture takes place from **18h30 until 19h30.**

Location: Auditorium Administratief Gebouw, UZ Leuven, grey arrow, floor 1, Herestraat 49, 3000 Leuven

Speaker:

Prof. Dr. Brendan Carvalho

Dr. Carvalho is the Chief of Obstetric Anesthesia and Professor in the Department of Anesthesiology, Stanford University Medical Center, and the President of the Society of Obstetric Anesthesia and Perinatology (SOAP). He has published extensively in the field of Obstetric Anesthesia with over 200 peer-reviewed articles, editorials, reviews, book chapters, and commentaries. He has received several NIH, pharmaceutical and institutional grants, and won numerous research awards including three Best Research Papers at SOAP scientific meetings. Dr. Carvalho has won the Teacher of the Year award at SOAP and at Stanford University's Departments of Anesthesia. He has presented at over 150 regional, national, and international meetings and visiting professorships. His scholarly activities are focused on clinical and translational research in the field of cesarean and labor analgesia, perinatal pharmacology and immunology.

At 18h00, drinks and sandwiches will be offered.

We will apply for accreditation. After the postgraduate evening, we will register your attendance on the RIZIV website. You can print your certificate of participation afterwards by going to www.riziv.be.

As drinks and sandwiches will be offered during this postgraduate evening, may we kindly ask you to **confirm your participation before Thursday June 7 on the following website**

https://www.supersaas.be/schedule/Anesthesie_GHB/11jun2018 (click on the postgraduate evening and add a new attendance).

We look forward to meeting you!
