

Anaesthetist/Intensivist – Bay of Plenty – New Zealand

Submitted on: 20/07/2019, Reference number: 2019157

End date: 20/10/2019

Location:

The Bay of Plenty is a coastal area in the north of New Zealand's North Island with a population of 220.000 people. It extends from the Coromandel peninsula in the west to Cape Runaway in the east, a wide stretch of about 259 km of open coastline. The Bay of Plenty region is located around this water surface and also contains several large islands in the bay. It is known for its beautiful beaches, good weather, rich culture and beautiful nature. It is very easy to alternate between city life and beautiful wilderness.

Together with various care institutions in the area, the healthcare provider offers care to a population of approximately 225.000. In addition, 3.400 people work in two hospitals owned by the healthcare provider.

Job Description:

On behalf of the above-mentioned care institution, we are currently looking for an anesthetist/intensivist for a full-time (1.0 FTE), fixed term (1 year) position.

The IC department is operational 24 hours a day. Therefore, there is a shared schedule that the team works with. The position offers the successful candidate the opportunity to experience complex casuistry in a dynamic working environment. As such, the successful candidate will treat patients in both the ICU and the HDU. The team consists of 26 anesthesiologists, 6 of which are Intensive Care specialists. Moreover, you will work in a multidisciplinary environment and will take on both Anesthesia and Intensive Care duties. In addition to the regular tasks, you will contribute to the education of registrars and other medical staff. In addition, you will contribute to improving care in the department. Because the employer has close ties with various healthcare institutions, it is possible that you will work in several hospitals. Lastly, the workweek consists of 40 hours.

For this position you must be experienced in both Intensive Care and Anesthesiology. Also, candidates must have excellent management, educational, communicational, social and leadership skills. You must also have a fellowship. Lastly, you must have a valid driver's license.

The care provider offers attractive employment conditions.
